Study at the world-renowned UCLA Department of Art this summer!

The Summer Art Institute is designed for talented and highly motivated high school students. Each two-week session carries three units of UCLA college credit, and is structured around a combination of daily instruction, focused studio work, artist lectures, group critiques, individual meetings with faculty, and an online exhibition. Students may enroll in one, or both, two-week sessions.

Scholarship Opportunities

California residents are eligible to apply for Summer Scholars Support, a need-and merit-based scholarship offered by the UCLA Summer Sessions Office.

Remote learning for 2021

This year the Art Summer Institute is offering our program remotely! As with every summer, the 2021 Institute will give high school artists the chance to make new friendships, build their portfolio, and experience life as an art student at a major research institution. Institute activities are scheduled from 9:00am to 4:00pm PDT, Mondays through Fridays, with an hour break for lunch.
