Study at the world-renowned UCLA Department of Art this summer!
The Summer Art Institute is designed for talented and highly motivated high school students. Each two-week session carries three units of UCLA college credit and is structured around a combination of daily, focused studio work, artist lectures, group critiques, and one-on-one meetings with faculty.

Remote learning for 2020
This year the Art Summer Institute is offering our program remotely! The 2020 Institute will give high school artists the chance to make new friendships, build their portfolio, and experience life as an art student. Institute activities are scheduled from 9:00am to 4:00pm PDT, Mondays through Fridays, with homework assigned most evenings.

Scholarship Opportunities
The UCLA Department of Art offers scholarship opportunities for students interested in studying Drawing & Sculpture OR Video Art & Experimental Animation. These $1000 scholarships will be awarded to students in each course based on artistic potential demonstrated in the application, including uploaded images of original artwork. All applications to these two courses received by May 31 will be automatically considered.
